

WORKS NOTIFICATION - UPDATED

NOVEMBER 2018

We are getting on with the job of upgrading your motorway network. Over two weeks, we will be installing girders on the new northbound Mt Lindesay Highway / Beaudesert Road bridge over the Logan Motorway. The bridge girders will be installed in stages, with associated traffic changes for each stage outlined below.

Stage 1 – Traffic changes (Monday 3 to Wednesday 5 December 2018)

- **8pm to 5am** – Logan Motorway eastbound service road, Logan Motorway eastbound off-ramp to Beaudesert Road southbound and Logan Motorway eastbound on-ramp from Beaudesert Road northbound will be closed. A detour will be in place for the ramp closures** (see detour maps below and over page).

LOGAN ENHANCEMENT PROJECT

Stage 2 – Traffic changes (Thursday 6 to Friday 7 December 2018)

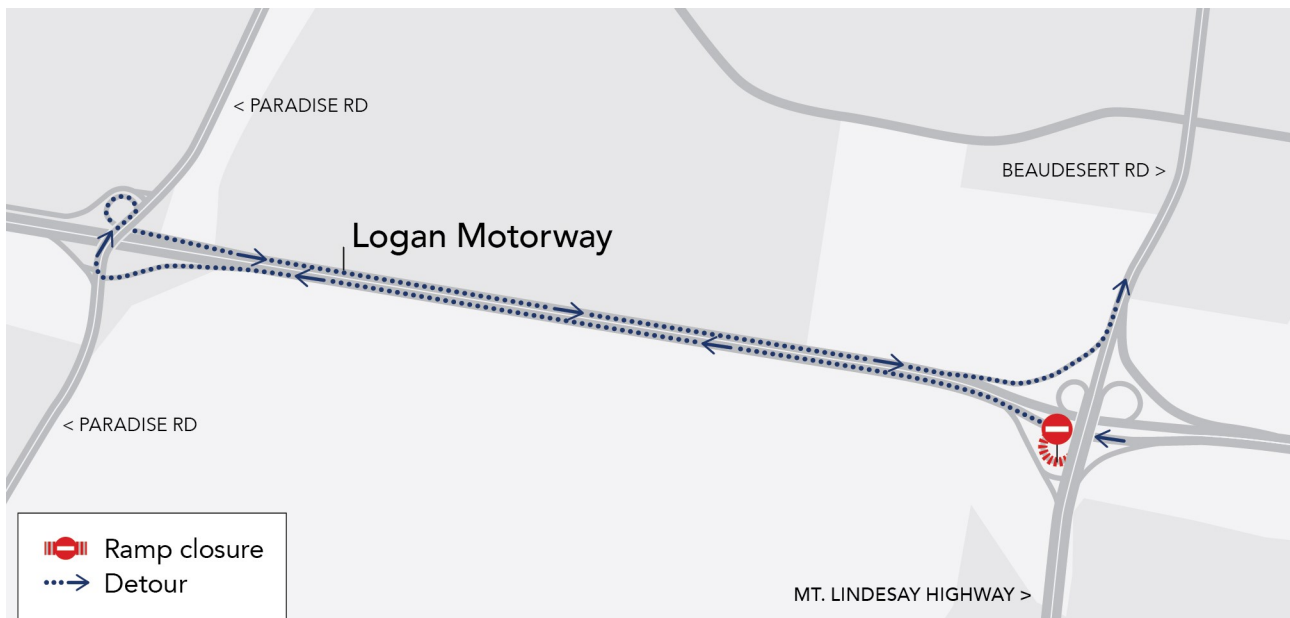

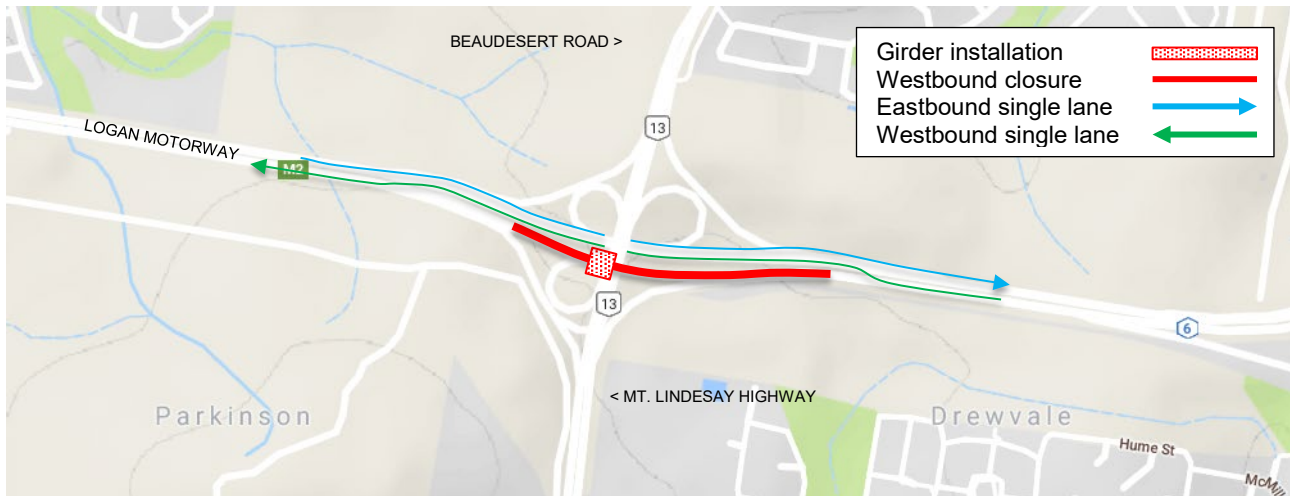

- **8pm to 5am** – Logan Motorway eastbound carriageway will be closed. Traffic will be moved onto the eastbound service road (see map below).

Stage 3 – Traffic changes (Monday 10 to Tuesday 11 December 2018)

- **8pm to 8am** – Logan Motorway westbound carriageway at the Mt Lindesay Highway/Beaudesert Road interchange and off-ramp to Beaudesert Road northbound will be closed (see map over page). Traffic will be moved onto the eastbound carriageway, with a single lane of traffic in each direction. A detour will be in place for the ramp closure (see detour map over page).

LOGAN ENHANCEMENT PROJECT

Stage 4 – Traffic changes (Wednesday 12 December 2018)

- 8pm to 5am – Logan Motorway westbound single lane will be closed.

What to expect:

- changed traffic conditions including lane and ramp closures with associated detours, the presence of traffic control and reduced speed limits
- increased activity around the work area including the presence of workers, vehicles and equipment
- cranes, trucks, light vehicles, use of hand tools
- night works and potential noise impacts from the use of machinery.

In the case of inclement weather or delays to the work, this work will be postponed to the next available shift. We thank you in advance for your patience during these works.

LOGAN ENHANCEMENT PROJECT

About the project

Transurban Queensland's \$512 million Logan Enhancement Project includes upgrading parts of the Logan and Gateway motorways, improving key congestion hot spots (Logan Motorway/Mt Lindesay Highway/Beaudesert Road interchange and the Wembley Road/Logan Motorway interchange) and constructing new south-facing ramps on the Gateway Motorway at Compton Road. Major construction is underway with the project anticipated to be completed in 2019.

Keep updated about traffic changes

During construction of the Logan Enhancement Project we encourage you to plan ahead. For more information about upcoming traffic changes, view the [Road Users](#) page on the project website. Traffic information will also be posted on the [Queensland Traffic website](#) and provided to the 131940 call centre.

For more information about construction activities associated with the Logan Enhancement Project, please visit the project website (see below) or follow us on [Facebook](#).

For more information

For more information about the project or to speak with a member of the Community Relations Team regarding these activities contact:

Phone: 1800 195 308 (toll free 24hours)*
Email: contactus@loganenhancementproject.com.au
