

## TRAFFIC ALERT

### Temporary overnight closure of the Logan Motorway between Gateway Motorway and Wembley Road, Drewvale

We are getting on with the job of upgrading your motorways. From **\*\*10pm Saturday 18 May to 3am Sunday 19 May**, the Logan Motorway between the Gateway Motorway and Wembley Road **will be temporarily closed in both directions** so a 63m single-span gantry can be installed over the motorway (see map below).

This temporary closure will involve multiple ramp (with detours) and lane closures on the night\*\*\*. Please observe changed speed limits, detour signage, and traffic conditions. We appreciate your patience during these important works. If travelling through the area on the night, please plan ahead and expect delays.

#### Associated closures:

- Logan Motorway westbound on-ramp from Anderson Street
- Gateway southbound to Logan Motorway eastbound off-ramp
- Logan Motorway eastbound on-ramp from Mt Lindesay Highway northbound and Beaudesert Road southbound

Please note that access to Brisbane Airport via the Gateway Motorway, Mt Lindesay Highway northbound and Beaudesert Road southbound, will not be affected during this work.

# LOGAN ENHANCEMENT PROJECT

## What to expect:

- detours for both directions of the Logan Motorway via local roads
- traffic control and reduced speeds will be in place to ensure the safety of motorists and workers
- increased activity around the work area including the presence of workers, vehicles and equipment
- potential noise impacts from the use of machinery.

## About the project

Transurban Queensland's \$512 million Logan Enhancement Project includes upgrading parts of the Logan and Gateway motorways, improving key congestion hot spots (Logan Motorway/Mt Lindesay Highway/Beaudesert Road interchange and the Wembley Road/Logan Motorway interchange) and constructing new south-facing ramps on the Gateway Motorway at Compton Road. Major construction is underway with the project anticipated to be completed in 2019.

## Keep updated about traffic changes

During construction of the Logan Enhancement Project we encourage you to plan ahead. For more information about upcoming traffic changes, view the [Road Users](#) page on the project website. Traffic information will also be posted on the [Queensland Traffic website](#) and provided to the 131940 call centre.

For more information about construction activities associated with the Logan Enhancement Project, please visit the project website (see below) or follow us on [Facebook](#).

## For more information

For more information about the project or to speak with a member of the Community Relations Team regarding these activities contact:

Phone: 1800 195 308 (toll free 24hours)\*  
Email: [contactus@loganenhancementproject.com.au](mailto:contactus@loganenhancementproject.com.au)  
Website: [www.loganenhancementproject.com.au](http://www.loganenhancementproject.com.au)  
Facebook: [facebook.com/LoganEP/](https://facebook.com/LoganEP/)

\*Free call anywhere in Australia. Call charges apply for mobile phones and pay phones. Check with your service provider for call costs.

\*\*If delayed due to construction or weather, works will be undertaken the following weekend. Please check the project web site: [www.loganenhancementproject.com.au](http://www.loganenhancementproject.com.au)

\*\*\*Heavy vehicles will be able to use Browns Plains Road during detours.
