

## TRAFFIC ALERT

### Temporary traffic changes – Compton Road, Stretton

We are getting on with the job of upgrading your motorways. As part of the widening of the Compton Road bridge, there will be temporary traffic changes for girder installation works being undertaken during the dates below:

#### Key dates:

- **7pm Sunday 10 March until 5am Monday 11 March 2019.** Traffic control and police will direct traffic through the Compton Road intersection over the Gateway Motorway, during crane mobilisation works.
- **7pm Monday 11 March until 5am Tuesday 12 March, and 7pm Tuesday 12 March until 5am Wednesday 13 March 2019.** Traffic will be held for 5-15 minutes for northbound Gateway Motorway, and both directions of Compton Road either side of the intersection during girder installation works.
- **7pm Wednesday 13 March until 5am Thursday 14 March 2019.** Traffic control and police will direct traffic through the Compton Road intersection over the Gateway Motorway, during crane demobilisation works.

#### What to expect during these works:

- increased activity around the work area including the presence of workers, vehicles and equipment including trucks, light vehicles, and a crane
- traffic control and reduced speeds will be in place to ensure the safety of motorists and workers
- potential noise impacts from the use of machinery.

# LOGAN ENHANCEMENT PROJECT

In the case of inclement weather or delays to the work, this work will be postponed to the next available shift. All works are scheduled to minimise impacts on the community and motorists. We thank you in advance for your patience during these works.

## About the project

Transurban Queensland's \$512 million Logan Enhancement Project includes upgrading parts of the Logan and Gateway motorways, improving key congestion hot spots (Logan Motorway/Mt Lindesay Highway/Beaudesert Road interchange and the Wembley Road/Logan Motorway interchange) and constructing new south-facing ramps on the Gateway Motorway at Compton Road. Major construction is underway with the project anticipated to be completed in 2019.

## Keep updated about traffic changes

During construction of the Logan Enhancement Project we encourage you to plan ahead. For more information about upcoming traffic changes, view the [Road Users](#) page on the project website. Traffic information will also be posted on the [Queensland Traffic website](#) and provided to the 131940 call centre.

For more information about construction activities associated with the Logan Enhancement Project, please visit the project website (see below) or follow us on [Facebook](#).

## For more information
