

TRAFFIC ALERT - UPDATE

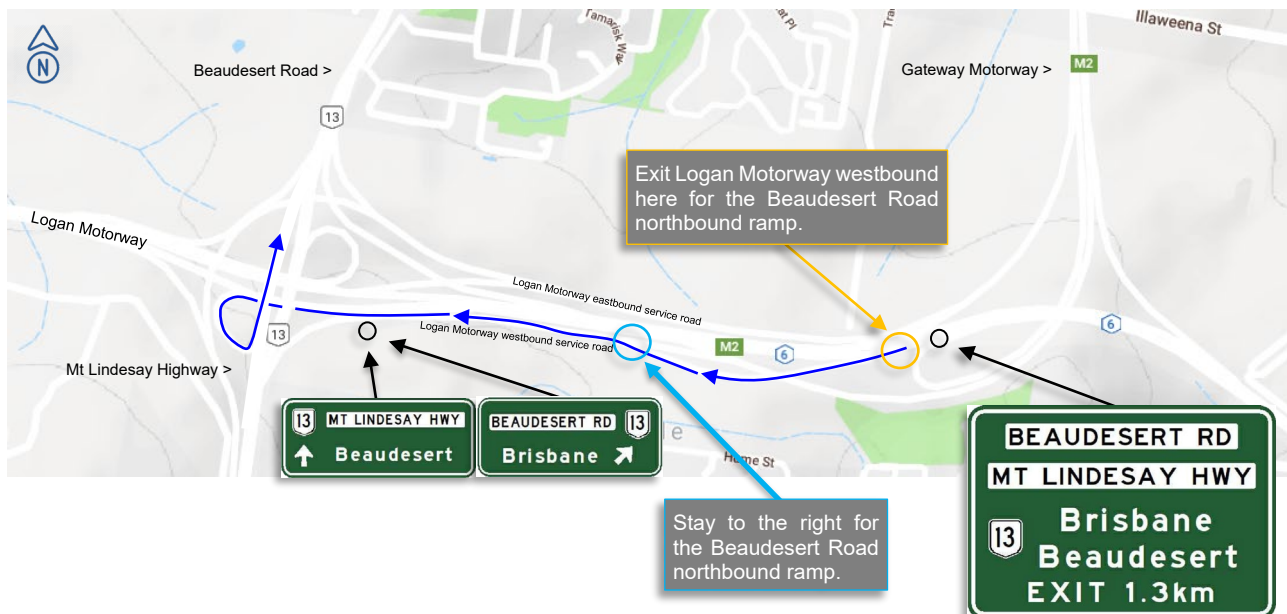

Traffic switch – Logan Motorway westbound off-ramp to Beaudesert Road northbound, Parkinson

We're getting on with the job of upgrading your motorways. From **8am Saturday 18 May 2019**, traffic will be switched to the new Logan Motorway westbound off-ramp to Beaudesert Road northbound alignment.

The new exit point to the Beaudesert Road northbound off-ramp will be approximately 3km east of the current exit point. Here, motorists will travel on the Logan Motorway westbound service road, staying to the right to take the Beaudesert Road northbound off-ramp. Please follow signage and not your GPS.

Key dates:

- **8pm Friday 17 to 8am Saturday 18 May 2019.** Full ramp closure with a detour in place via ****Paradise Road** (see map over page).

What to expect during these works:

- increased activity around the work area including the presence of workers, vehicles and equipment
- road construction and resurfacing, road pavement profilers, compaction rollers, body trucks, drainage, construction of concrete medians, electrical conduits and signalling, line marking and use of hand tools, barrier relocation and installation of new signage
- traffic control and reduced speeds will be in place to ensure the safety of motorists and workers
- potential noise impacts from the use of machinery.

In the case of inclement weather or delays to the work, this work will be postponed to the next available shift. All works are scheduled to minimise impacts on the community and motorists. We thank you in advance for your patience during these works.

LOGAN ENHANCEMENT PROJECT

**To help minimise the impact of the ramp closure, the toll on the Paradise Road off- and on-ramps will be waived during the closure. Please note your tag may still beep during the toll-free period. For any toll related enquiries, please call Linkt on 13 33 31.

About the project

Transurban Queensland's \$512 million Logan Enhancement Project includes upgrading parts of the Logan and Gateway motorways, improving key congestion hot spots (Logan Motorway/Mt Lindesay Highway/Beaudesert Road interchange and the Wembley Road/Logan Motorway interchange) and constructing new south-facing ramps on the Gateway Motorway at Compton Road. Major construction is underway with the project anticipated to be completed in 2019.

Keep updated about traffic changes

During construction of the Logan Enhancement Project we encourage you to plan ahead. For more information about upcoming traffic changes, view the [Road Users](#) page on the project website. Traffic information will also be posted on the [Queensland Traffic website](#) and provided to the 131940 call centre.

For more information about construction activities associated with the Logan Enhancement Project, please visit the project website (see below) or follow us on [Facebook](#).
